

**Do it whenever you can**

**Join our friendly team**

*"Volunteering has allowed me to meet new people, gain some new skills and has given me a sense of purpose"*

Home Support Volunteer

**We're looking for Home Support volunteers to join the team, can you help?**

A couple of hours a week offering practical support can make all the difference to a family caring for a child with complex needs.

Home Support Volunteers visit families in their own homes and provide practical support such as housekeeping, spending time with siblings, and meal preparation.

**Get in touch**
